TELEGRAPH HILL SEMAPHORE

Publication of the Telegraph Hill Dwellers

DON'T FORGET TO VOTE TUESDAY, NOVEMBER 8:

*1. For the District 3 Supervisor of your choice.
*2. For City Treasurer
*3. For City Attorney
**4. YES or NO on some 21 Ballot Propositions – A through V ["T" has been withdrawn]. There are many important issues at stake here, so read the Ballot arguments with care.
***5. YES on "W"! Proposition "W", Phasing out of Billboards. Consistent with our purpose as stated in ARTICLE III of our By-Laws, THD opposition to Billboards

VOTE YES ON "W"

is a matter of record. Now is our chance to get rid of these eyesores. Spread the word: VOTE YES ON "W"!

* Our By-Laws prohibit the endorsement of candidates for political office.
** No THD recommendations.
*** The THD fight against Billboards goes back to September, 1965, when we supported a proposed ordinance which failed to pass the Board of Supervisors. The latest action taken was the Directors' unanimous motion to support any action to eliminate Billboards in San Francisco.

BOARD OF DIRECTORS' REPORT

Action taken by the THD Board of Directors and General Membership since September 1977 (per By-Laws ARTICLE V. Section 12):

General Membership

September 12, 1977 Prior to the meeting, Jean Kortum of the Landmarks Board presented a slide show on the historic Northern Waterfront. Meeting called to order at 7:40pm by President Anne Halsted. Nan Roth introduced guests Ernie and Tosca Anghinetti, retiring owners of the Modern Cleaners on Stockton Street after 36 years in our neighborhood. They were honored for their long contribution to the community and received a standing ovation. The reply by Mrs. Anghinetti delighted all. Treasurer Dave Broadbear reported $257.02 in the Legal Fund, and $1542.41 in the General Fund.

Matteucci Clock: The works of this large clock that has stood on Columbus Avenue for many years were stolen the night of September 8-9. The burglary must have taken over 30 munutes, and the works are worthless by themselves. This clock is the only one in the city from before the 1906 earthquake, and its owner is planning to relocate it on Columbus Avenue. Anyone with any information should contact Lot Hutzler of the burglary detail or Matteo Ciufreda [781-1063]; there is a $500 reward. Motion that the THD pledge $100 for the reward money for the Mateucci clock. Passed unanimously. Tom Cara immediately volunteered $50 and President Halsted announced an anonymous commitment for another $50. Anyone interested contact Bob Tibbits to add more.

Motion that the THD oppose the issuance of the NEMS parking variance, and support Nan Roth's appeal of the variance in the sense of the original Board of Director's resolution. Passed.

Motion that the THD vehemently opposes watering down of preferential parking ordinance, and that civil servants and merchants' employees be excluded from eligibility for permits to park in the Telegraph Hill-North Beach-Russian Hill preferential parking. Passed. Meeting was adjourned at 9:45pm.

Sept. 14,1977 Directors Motion to approve the minutes of August 10 passed. There was no treasurer's report. Motion that the THD subscribe $6 to "On the Beach" with the understanding that we get a free membership ad in return. Passed.

The Friends of the S.F. Public Library have asked that the Semaphore carry a one-sheet public survey. John Holmes stated that if the Semaphore is 4 sheets only, this 5th sheet would not increase postage costs. It would come to us already printed, ready to fill out and return to the Frineds.Motion that the Semaphore carry flyer for the Friends of the San Francisco Public Library if it would not add to mailing cost. Passed.

Motion that President Halsted is authorized to organize negotiations on the paring problem. She should press to devote the first floor of the NEMS building to parking, which would accomodate official vehicles

BOARD OF DIRECTORS REPORT

at least, as NEMS will use official vehicles. Passed.

Wastewater Management: Hugh Douglas has been appointed the North Beach representative to the engineering firm supervising the overall construction of the North Point Sewer. Motion that the THD formally request a written assurance that no night or weekend work will be done on the North Pont Sewer project, because once begun it is not likely to be stopped. Passed.

Landmarks (John Holmes): An amendment is being drafted to Article 10 of the City Planning Code to create a Waterfront Historical District, which we should support. Motion that the THD reaffirm its support of the North Waterfront Historic District, the boundries being North of Broadway to Lombard, the cliff side of the Hill to the Waterfront. Restrictions in this district would be like those of Jackson Square, only we hope stronger. Motion Passed.

Candidates' Night: Should THD sponsor one, as we have been asked to do? Motion that the THD ask the League of Women Voters to sponsor a candidates' night in District 3 since this is not within the purposes for which the THD was formed. Passed.

EDITOR'S NOTE: The League does not have the Staff to do this at this time.

Levi Straus Project – Gerson Bakar

The Telegraph Hill Dwellers are concerned about the following elements of the Levi Straus Project design and are waiting to see drawings and/or models of how these important urban design elements are to be resolved:

1. The scale and placement of new buildings in relationship to existing buildings.
2. The preservation of historic buildings and historic features.
3. The amount of open space and public access to this open space.
4. The pedestrian circulation on the streets and within the project.
5. The building facade materials and the architectural style – as it releates to the location.
6. The type of interior courts (if any).
7. The relationship of building entrances and windows to the street.
8. The traffic and parking system.
9. The building heights and relationship to views, both from Telegraph Hill and from the Embarcadero to the hill.
10. The design of the proposed 3 story garage podium structure (with residential units above); its visual effect on Telegraph Hill and Telegraph Landing, and the impact of the garage on traffic patterns.
11. The quality of rooftop design – with or without landscaping. Well designed rooftops could be interesting to look at from the hill.

LANDMARK VANDALIZED
R. MATTEUCCI & CO. CLOCK

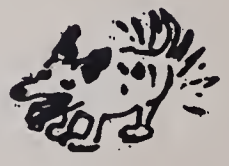
Hill Dwellers have individually subscribed $250 to $500 reward fund posted by Columbus Avenue jeweler Matteo Ciuffreda for the return of the vital organs inexplicably purloined from his great sidewalk landmark four-faced clock.

Sometime before dawn September 9, the 1908 Seth Thomas clock standard was pried open and its 35-pound brass movement removed. Ciuffreda was at the time commencing to move his 73-year-old R. Matteucci & Co. from 229 Columbus, near pacific, to its new location at 450 Columbus – near green.

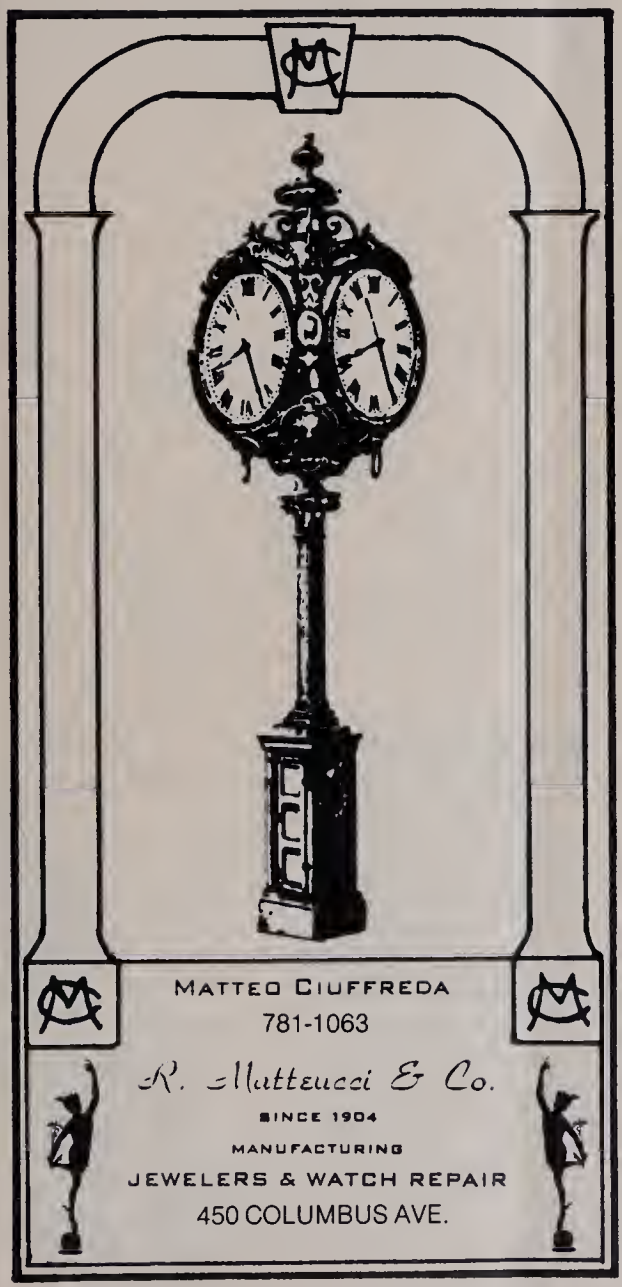
He has since uprooted the great clock from 'out front' and replanted it in from of the new shop–to stand mute until its works are returned–or, that failing, until Ciuffreda pays perhaps $10,000 to some genius to try to duplicate the missing bronze vitals.

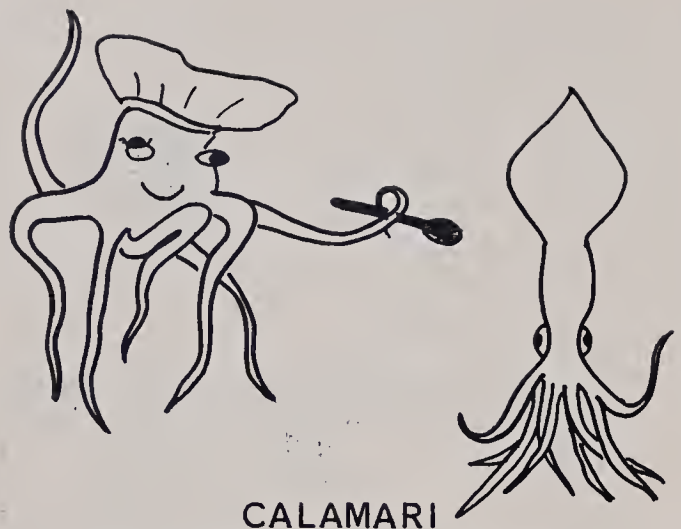
If the works are being held for ransom, their abductor has been shy about letting Cuffreda know. The only other plausible theory would implicate some owner of a deceased 1908 four-faced Seth Thomas clock–someone with an organ-transplant scheme. No such owners are known to be in this part of the world. It may be a matter for Interpol.

When you see trash,
PICK IT UP!



EDITOR'S NOTE: [R. Matteucci & Co. are successors to Castagnetta Matteucci, established 1886] Any information leading to the safe return of the clock innards with "no questions asked" would not only be greatly appreciated, but a substantial reward is bing offered. Phone: Matteo Ciuffreda, 781-1063.





CALAMARI

A North Beach Tradition

If you haven't - try it!. For calamari afficionados, let the Semaphore know of your favorite restaurant. A partial listing of restaurants serving calamari at least once a week includes:

Peta's–579 Columbus
La Felce–1570 Stockton
North Beach Restaurant–1512 Stockton
Caffe Sport–574 Green
Di Grande–1224 Grant
Ristorante Italiano–622 Green
U.S. Restaurant*431 Columbus
Friday only
Powell's–673 Union
Wash. Sq. Bar & Grill–1707 Powell
La Bussola–800 Greenwich
Fior d'Italia–621 Union
Parade Brasserie*1767-69 Stockton
Wednesday only

Gather your friends for an informal tasting and rating of the restaurants. Jot down information on a napkin (paper) or odd piece of paper as to approximate ingredients, preparation, and taste. If you can make a comparison with the same dish at another place–great!

We will let you know which restaurants get the highest ratings; and publish the tastiest recipes. Do-it-yourselfers, send us your recipes! Cut the high cost of living with this nutritious, delicious, and inexpensive product of the sea!

Discover calamari!

EDITOR'S NOTE: Mail your calimari information to: Maud Hallin, 463B Greenwich St.,94133. [The Calamari Group; Peg Smith, Marie Spengler, Harold Jaffe, Maud Hallin]

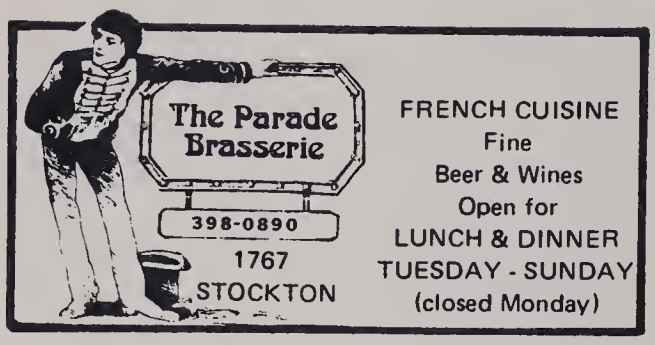
NEIGHBORHOOD ZONING VICTORY

The old malt factory at 2120 Stockton Street, now being torn down, will be replaced by 28 attractive, small scale condominium units instead of a 63 unit massive apartment building.

The new development represents a victory for the Francisco Street Neighborhood Association and the Telegraph Hill Dwellers. The original development was proposed under the old R-4 zoning, which would have permitted up to 85 apartments. The current development conforms with the interm zoning of RA-2, which permits only 28 units. Between the period of June 1976 and August 1977 the local residents formed the Francisco Street Neighborhood Association. There followed many neighborhood meetings and several hearings before the Planning Commission and the Board of Permit Appeals. Many times during the long process it was felt impossible that the neighborhood would win – but in the end persistence succeeded.

The new plans – which have been enthusiastically endorsed by the neighborhood – call for several small buildings. Midway Street will be landscaped and efforts are underway to underground the utilities.



You CAN fight City Hall! THD efforts pay off again & again

OPEN SPACE FUNDING REQUESTS

THD supported two creative requests for funding of open space at the September 26 hearing of the Citizens Advisory Committee on open space acquisition:

- the Francisco Street neighbors proposed development of a mini-park at the Francisco Street Steps.
- Nora Quinn, John Holmes, George Rockrise presented a scheme for improving the Kearny Street Steps. The plan includes a small park between Vallejo and Fresno Streets which, we hope will house a statue of St. Francis.

Both projects are small but would enhance our dense neighborhood and concrete streets. Keep your fingers crossed and be ready to be called on to support these projects at City Hall.

THD CORRECTS "S.F. MAGAZINE"

The following letter was sent on August 30 – correction has not appeared in "S.F. Magazine as yet.

Mr. Thomas Shess, Jr., Editor
San Francisco Magazine, Inc.
631 Howard Street
San Francisco, Calif. 94105

Dear Mr. Shess:

An important correction/clarrification to Albert Hass, Jr's article on Levi Place and Gerson Bakar – the Telegraph Hill Dwellers Association has commended the developer's expressed concern for the neighborhood. We haven't supported or commended the development, the complete plans of which are not available. We hope that the plans, when complete, will merit our support.

Yours truly,
Anne Halsted
President

COIT TOWER – VS. AUTO

The parking-Traffic-Transit comittee is studying alternatives to the auto for tourist access to Coit Tower. Among them:

- A funicular up the hill from the North
- An auto turnaround at the retaining wall at the top of Lombard – only authorized autos beyond
- A sentry post at Lombard and Grant – only authorized autos beyond

In all cases use the bus or walk –don't drive to the top. Park your car somewhere below.

EDITOR'S NOTE: Do you agree that this vehicular snarl should be eliminated? Have you ideas? Can you help? Write committee chairman: Herb Kosovitz, 340 Chestnut, S. F. 94133.

HIGH COURT UPHOLDS ORDINANCE

– PREFERENTIAL PARKING –

On Tuesday October 11, 1977 the United States Supreme Court upheld the city of Arlington Va. parking ordinance:

"To reduce air pollution and other environmental effects of automobile commuting, a community reasonably may restrict on-street parking available to commuters, thus encouraging reliance on car pools and mass transit."

"The same goal is served by assuring convenient parking to residents who leave their cars at home during the day."

EDITORS NOTE: Yet to be resolved is the parking problem faced by those commuters to whom a car is essential in connection with their work. Any suggestions on this one?

— ON THE BEACH —

"On the Beach" a new monthly publication aims to provide an outlet for expression by and for the North Beach Community and should fill a long unmet need.

Since the demise of "Little City News" there is no North Beach paper. "On the Beach" no longer solicits advertising and hopes to draw its financial support from its readers–hopefully you.

The paper is asking for pledges [of $6 or more] which may be sent to:

On the Beach
c/o World Literature
524 Union Street
San Francisco, Ca. 94133

Four issues have already appeared with another issue due early in November.

Drop by with your pledge and pick up a copy. You will find an interesting diversity of expression within the paper's informal format. Some of the featured items are:

–Entertainment on the Beach
–The North Beach Chess Club
–Community Column
–Streets of North Beach
(personal observations from North Beachers–here and there)
–North Beach Historical Society

EDITOR'S NOTE: Your Board of Directors has given its pledge to "On the Beach" – why not add yours?

* – EDITOR'S NOTE – *

In the future, neither Maggie Baylis, John Holmes, Katherine Koelsch, Richard Lantz, nor Carol Schwartz-back will be able to continue to devote as many hours to the Semaphore as they have to these last five issues. So — Telegraph Hill Dwellers — please come forth to the rescue of the Semaphore!
